**INTERIM ORDER**

The Commission heard the Petitioner and the Respondent at length.

The Commission has noted that the Solar Energy Corporation of India Limited (SECI) has not signed Power Purchase Agreements (PPA) with the selected Hybrid Power Developers (HPDs) for procurement of 1200 MW Re - Power on a long term basis till date. Further the Central Electricity Regulatory Commission (CERC) has also not adopted the tariff discovered through bidding process under Section 63 of the Electricity Act, 2003.

The Learned Counsel for the Respondent has submitted that SECI has already filed the Petition for adoption of tariff under Section 63 of the Electricity Act, 2003 before the CERC. She has further requested the Commission to grant reasonable time to file a copy of duly signed PPA with Hybrid Power Developers along with copy of the CERC Order for adoption of the tariff determined through transparent process of bidding under Section 63 of the Electricity Act, 2003.

The Commission has accepted the request of the Respondent and hereby directs to file duly signed copy of the PPA with the Hybrid Power Developers and a copy of the Order

by which CERC adopted the tariff under Section 63 of the Electricity Act, 2003 as soon as possible.

The matter will be listed for hearing after the compliance of the directions of the Commission by the Respondent.

Ordered accordingly.
