2. Sh. D. Ravi, Executive Engineer.

ORDER

10/03/2011

The Commission has initiated suo moto proceedings on account of non filing of action taken report on the directives issued by the Commission in their Tariff order for 2009-10.

Electricity Department Puducherry (EDP) has now filed status report on the action taken by them on various directives issued in the tariff order 2009-10 of the Commission.

The report was to have been furnished by 30.06.2010. The matter is already delayed.

The status report filed now on the directions of the Commission is sketchy, general in nature and not supported by documented evidence. It is inadequate. As the matter is delayed, it requires close monitoring.

Therefore in terms of clause 27 (Orders/Directions by the Commission), Sh. K.G. Yadav Chief Engineer (retd.), advisor to the Commission, is hereby assigned to study the matter, including status of implementation of directives, verification of records in support, wherever required, programme of implementation etc. He shall file his report with the Commission by 30th April 2011 with a copy of the report to EDP.

The matter shall be heard on 16th May 2011.
