**And in the matter of:**

Electricity Department, UT of Dadra & Nagar Haveli. : Respondent

Present

Sh B.N.Mehta, Superintending Engineer.

**ORDER**

**10/03/2011**

The Commission has initiated suo moto proceedings on account of non filing of action taken report on the directives issued by the Commission in their Tariff order for 2010-11.

Electricity Department Dadra and Nagar Haveli (ED DNH) has now filed status report on the action taken by them on various directives issued in the tariff order 2010-11 of the Commission.

The report was to have been furnished by 31.12.2010. The matter is already delayed.

The status report filed now on the directions of the Commission is sketchy, general in nature and not supported by documented evidence. It is inadequate. As the matter is delayed, it requires close monitoring.

Therefore in terms of clause 27 (Orders/Directions by the Commission) of JERC (Conduct of Business) Regulations 2009, Sh. K.G. Yadav Chief Engineer (retd.), advisor to the Commission, is hereby assigned to study the matter, including status of implementation of directives, verification of records in support, wherever required, programme of implementation etc. He shall file his report with the Commission by 30th April 2011 with a copy of the report to ED DNH.

The matter shall be heard on 16<sup>th</sup> May 2011.
