Petition No.....17/ 2010

**In the matter of**

Petition seeking the approval for Power Purchase Agreement proposed to be entered into with Project proponents qualifying under JNNSM scheme.

**And in the matter of:**

Electricity Department, Puducherry

Petitioner

Present

1. Shri T. Anandhakrishnan, Superintending Engineer, Electricity Department, Puducherry

**ORDER**

**19/10/2010**

Electricity Department, Puducherry (EDP) has submitted a draft PPA for approval of the Commission under Section 60(C) of the Conduct of Business Regulation with M/s Saheli Exports Pvt. Ltd. Chennai, the project proponent for purchase of solar power under MNRE RPSSGP Scheme. The Commission observes as under:-

The draft PPA does not mention the tariff which is a pre-requisite of RPSSGP Scheme and that EDP has not even applied to the Commission for fixation of tariff for the above project.

The Project proponent has since applied for final registration as is clear from the acknowledgement of on-line submission of documents for generation based incentives enclosed with the petition which shows date of signing of PPA as 13.8.2010. Further EDP in their petition has mentioned that it is given to notice that aforesaid project proponent has participated in the final registration process and secured the sixteenth rank, even without signing the PPA with EDP (ref. Para 10 of the petition).

The Commission feels that Considering the PPA for approval at this stage does not serve the purpose for which it is intended.

The petition is rejected.
